Subject Sister Cities Program

COPIES TO:

I am preparing minutes from last night's meeting but to summarize what happened:

As you know the committee voted to participate in the program with Plovdiv being the city selected. On behalf of the committee I have submitted their request to you. Father Nedelkoff was elected chairman and Robert Lee vice chairman.

There was excellent discussion with all view points being brought out into the open. I was impressed with the two Junior Achievement representatives regarding their openness.

The main concern of the committee was that no city funds be involved in the project except for costs in corresponding and secretarial needs.

The committee requested that I see that the news media be given the story. I have a attached a possible press release for your consideration.

The committee will be meeting "on call" and will probably not meet again until the council approves the resolution.
